

HOME OF GRACE MINISTRY CAMBODIA

November 20, 2019

Greeting Family and Friends!!

WOW!! The past 10 years has been so amazing! God has poured love and compassion to Home of Grace Orphanage. He has touched the hearts of many people to pray and come together to serve in the field. We were so grateful to have been surrounded by the love of our family and friends that day, who took the time to travel across the ocean to Cambodia to join us in celebration of God's faithfulness on

October 31, 2019. Even though the ocean so deep and wide, it didn't stop his children from joining together to witness all His amazing work and to glorify God for all His transformation through His love and compassion for the people and the children of Home of Grace who have now become leaders, spreading God's love because of your prayers and sacrificial giving to support and to make an impressive difference in their lives!

Almost three thousand people entered the gate with joy on their face to know that they were going to witness the love of God and receive His blessings through Home of Grace, the place where the surrounding people call *Jesus's land*! The people could not deny God's love and power for them on the land that He had planned for them to be that day!!! The Lord transformed the lives of the people and children, but he also modified that land from darkness to become the light on the hilltop!

November 20, 2019

In the past 10 years, we've encountered many difficulties, but we cannot recall one time that the Lord abandoned us. He held onto His promise that He will never leave us nor forsake us, but He continued to remain faithful. We thank God for His faithfulness, for providing the need through the obedience and generosity of those who prayed and support so faithfully to the work by blessing the hardship and orphans, while giving them an opportunity and hope for a brighter future!

October was an active weather month in Cambodia as it rained every single day while we were there. We joined with the children and the staff daily in prayers to ask God if he could stop it from raining on the day of the celebration. It continued to rain, as we thought the rainfall showed no sign of stopping, it suddenly STOPPED!! Praise the Lord, He answered our prayers!!

For exactly two days, there was no rain in sight, the day before

out celebration and the day after! The weather was so perfect!! It wasn't hot or humid per usual.

On the day of the celebration, thousands of people, including the government officials came to join together to praise and give thanks to our Lord for the past 10 years for all the incredible things He has done in and through Home of Grace Orphanage and in the lives of the people and children in Cambodia, whose lives has been transformed!

God blessed a thousand families with two weeks to a month worth of food and other necessities, depending on the size of their family. Poor children from different schools were giving the opportunity to join us in celebration that day for God's love and mercy. The following day, November 1st, was their first day back to school.

Home of Grace provided the children backpacks and other school supplies through your love and generosity during the 10th year anniversary. Because of your compassion heart, these children are able to attend school with a big smile on their precious face with their new school supplies, just in time for their need to use during the school year!! What a blessing from God!!!

November 20, 2019

After the celebration, we held a lunch banquet and fed five hundred people, which included the children of Home of Grace, their guardians, the staff, the leaders, special guests, and all those who served with us!!!

The highlight of the event was hearing the testimonies from the hearts of the once-

abandoned children, speaking out of how broken they were and now thankful of their new life, giving them hope and a bright future. Many of the children are now living with God's love, joy, and peace in their heart every day!! It is so amazing that their lives have changed and are living with a grateful heart because of your faithful and generous support and prayers!

We give thanks to God for you and your dedication through your prayers, giving, and going to serve our Almighty God so faithfully! Because of your tremendous generosity, tens of thousands of poor families and children have been blessed and have transformed their lives during the past 10 years.

As we humbly reflect on everything that the Lord has done during our 10th Anniversary Celebration in ALL His glory, we continue to walk by faith for He is leading us as we look ahead to what He has in store for the future at Home of Grace Ministry and for the children in these coming years. We are beyond grateful for your role in where we are today and for your desire to walk alongside with us in this endless journey of serving and making a difference for God's kingdom!!

In His Service,

Henry & Neri Tran
