Greetings Family and Friends!

HAPPY EASTER to you and your family! May the risen Christ continue to bring you love, joy, and endless blessings!!

Through your faithful prayers and support for God's work, He continues to do amazingly at Home of Grace Ministry during our 47 day journey in Cambodia. Praise the Lord! We have returned home safely on April 10th. Sometimes the travel can be very tiring and exhausting for us because of the distance and time difference. In spite of it all, we are truly grateful the Lord continues to bless us with great strength and He is still using us in many wonderful ways to honor Him for His glory!

During Spring break, we had a wonderful group of young people and adults from First Baptist Church in Broken Arrow, Oklahoma join us to share God's love and the light of Jesus to His people. The team was such a great help with our VBS program. They provided the lessons, games, food, and most importantly their reflection of love and care for Jesus to the children. They were inspirational to us and to the children. Home of Grace children helped prepared the VBS 3 days ahead and also lead the program by singing and sharing their testimonies of faith. It was a day that brought so much blessing and a learning experience to all the children that entered the gate to Home of Grace that day!

Home of Grace along with the team from First Baptist Church successfully fed over 600 hungry children during the VBS program. We were so eager to distribute each child a bag full of goodies. To see their face light up with such joy warmed our hearts knowing they will have dental supplies for their beautiful smiles

and to prevent the possibility of painful dental problems. We believe the power of education and what it can do to change a child's life, so the children also received school supplies to encourage them in their studies. What a blessing it is to see the compassion in the hearts of the team from FBCA to dedicate not only their spring break, but their life to sharing God's love with the children during VBS. The team also reflected the light of God shined onto them for the people and children in remote areas. They've never fail to display the compassion they have to helping others! We give thanks to the Lord for FBCA church and to their parents for allowing them to join with us and be a part of God's mission.

We had the privilege of sharing the gospel to different villages. We witnessed over 121 people come forward and profess Lord Jesus as their Savior! We praise to God for each one of them as they continue to trust in Him and in any circumstances. We pray they will continue to walk by faith and live in true. We are so grateful for the opportunity to witness the power of God's grace, pulling people out of darkness, and bringing them to the family of God to join the kingdom of light so they can experience God's love and care!

On our last trip, we saw many who prayed for their salvation and waited in line to be baptized during Christmas because time wasn't permitted, we are thankful for those that faithfully dedicated to trusting the Lord and making the long journey back to Home of

Grace so they could join together for their public profession of faith. Together there were 123 that got baptized that sunny day! What a marvelous time for God's glory for His precious people to life up His name!!

Home of Grace saw so many people from different villages come to a place people call Jesus's land. The place people saw love and mercy for the abandoned children, care for the broken hearted families, a place they knew hunger was fed. Words cannot express all, but a picture can tell a thousand words of what God does through Home of Grace Ministry through the years to transform many lives!

Each day we were spending time in Cambodia with the children of Home of Grace, we gave thanks to the Lord and to those that also joined us in prayers and given to help us raise these children. They continue to demonstrate tenderness toward the kingdom of God, and we strongly believe He has a special plan for them because every trip we witnessed their obedience to the Lord and the love and care for one another. Their confidences to share their testimonies every chance they get, they proudly do it knowing it meant standing in front of hundreds and thousands of people. We aren't only raising the children, but we are also raising them for many generations ahead for Christ, and knowing that they will spread the love of Jesus to the communities in the nation of Cambodia!

We thank the Lord for His hand of blessing upon Home of Grace Ministry through you. He has been so rich in merciful to Home of Grace, and we are incredibly thankful for you to partner with us to reach Cambodia with the Gospel of Christ, and making it possible for us to be in the field through your faithful prayers and financial support. We are together with Christ. As we seek to follow God's leading in each step, we pray that you will do the same. We have come thus far together by the grace of God, and there are still great needs to continue to glorify His name!

Blessing of Easter to you and your family,

Henry & Neri Tran
