

HOME OF GRACE MINISTRY CAMBODIA

August 21, 2020

Greetings Family and Friends!!

As you may know from our July's newsletter, we have not returned to Cambodia due to the Covid-19 and Cambodia's strict restriction upon entering the country. This year has been quite different for us, as we are sure it's been for everyone else, too. We have been praying and asking God for His guidance, and will continue to remain faithful to our Lord. Despite the circumstances that each of us may be facing, we need to continue reminding ourselves that God is in control!!

Aside from this, the children from Home of Grace Orphanage has returned to the village on the 17th to visit their guardians for the Khmer New Year, which is celebrated over five days starting from August 17-21, originally scheduled from April 13- 17, but postponed due to the Covid-19 pandemic.

To some children who do not have relatives in the village, this holiday can be a bit gloomy but at Home of Grace, we try

to do our best to keep their spirits up and do fun and exciting activities, like we do every year for them!! We took them on field trips last year; however, with the current pandemic this year, the children had to stay inside, and their schedule of enjoyable activities and studies kept them busier! We would like to share some of the photos we received from our staff for you in this newsletter of the children celebrating early Khmer New year at Home of Grace Orphanage with one another just right before leaving. Because after all, we're a big happy family, too!!
