

HOME OF GRACE MINISTRY CAMBODIA

December 18, 2020

Greetings Family and Friends!!

It is our favorite time of the year to celebrate our savior who brings joy and hope and gives His love to the world!! While it's been quite a year for us, we have continued to be grateful every day for all the blessings of the Lord. We also continue to be thankful for your faithful prayers and generous support. This greatly encouraged us all at Home of Grace Ministry!!

As you know, Neri last trip to Cambodia was during the spring of March. Her last flight out was on the 22nd. In our hearts, we knew that the journey was going to be out of the ordinary. By the grace of God, He was with Neri the entire trip. It's been 9 months since we returned. This is the longest time we've been away from the work God called us. He made another avenue for us to maintain a daily communication with the staff and the children, such as phone and video calls via apps like Viber.

We thank God that the staff has handled the work very well while we've been here in the states, even during a massive storm!! We are just grateful to our team of staff. Not only did they handle things well at the orphanage, they went beyond to go out into the communities to reach out to the need in a very difficult time. It is absolutely amazing that God has worked through each of their lives!! Till this very day, the outreach team of Home of Grace continues to reach out to

the members of the churches in the communities for their needs and show the love and care of Jesus Christ!

HOME OF GRACE MINISTRY CAMBODIA

December 18, 2020

The children and staff at Home of Grace celebrated Christmas early this year on the 13th

of December. They were so excited and had a great time performing a drama of the birth of Jesus in their program. Afterwards the children and the staffs were so excited to receive their gifts and had fellowship and played games together.

Your thoughtfulness to the children at Home of Grace and the needy people in Cambodia this Christmas means so much to them and to us during this holiday season of extending love and care, especially for the orphans and those who are in desperate need!!

During this Covid pandemic, we faced many difficult obstacles, but Home of Grace challenged itself by faith to reach out the needy through the storm with prayers, food, and financial resources as we know there are many people out there who are living in tough time without hope. Our passion is to continue to spread God's love and bring hope to those who are in dire need.

Thank you again for your faithfulness through your prayers and generous support for the Home of Grace Ministry. We believe together with God's amazing love, many lives will continue to transform forever and we can accomplish much more and be blessed to be a blessing in God's plan for the good work of glorifying our father in Heaven!!!

We wish you all a very merry Christmas and a blessed and prosperous new year in 2021!!

In His Service,

Henry & Neri Tran
