

# HOME OF GRACE MINISTRY CAMBODIA

February 12, 2019

## Greetings Family & Friends!

God had blessed us with such wonderful time during the holiday season with our family and friends! But Once again, we will make a journey back to Cambodia, a place God has called us to serve. Our next journey is from February 22 to April 10. We are so excited as this will be our first trip of 2019! We are looking forward to escaping this cold weather to a warm climate! God is preparing our way, and has refueled our strength with good health for this upcoming journey. We know that there are many works waiting for us in Cambodia, and we are very thankful for the opportunity to return to fulfill God's purpose that He is allowing us to be a part of. We know God's work is so plentiful, but the labor is few!

Home of Grace children are enjoying their afternoon playing with one another.

children are being children, they will continue to ask us again and again for a specific date until Neri has to ask, "Do you remember what the bible said about Jesus's return? He will come back but no one knows what day or hour, right?" The children will tell us that they miss and love us!

We have no greater happiness then to know when we are not there, that the children continue to live according to the truth, and love God and one another. What a blessing to have many children who lives for the desire to joyfully serve the Lord!

It is because of God's grace and mercy through your work produced by faith to give and pray, that the children lives with love and hope for a brighter future!

The village children released from school early to join VBS to learn about God's love.

We would like to thank First Baptist Church in Broken Arrow, OK for sending a youth team of amazing students with a heart of serving to join us during the spring from March 5<sup>th</sup>-22<sup>nd</sup>. We look forward to welcoming them with open arms and a grateful heart! It is a blessing to us to witness the desire from their hearts of the youth willing to go and travel a long distant to serve and honor God!

We cannot wait to return back to spend time with our Home of Grace family. When we get a chance to talk to the children on the phone, they will persistently ask us how we are doing and when we are coming back to Cambodia. Our answer is always the same, "We love you and miss you, and will come back soon!" As

We trust the Lord with all our heart in the work He has in store for us, though sometimes we may not understand and go through tough times, we ask for His guidance and that He continues to give us His strength and wisdom to honor Him! God's word consistently appears to our mind, and also encourages us to not get tired of what we are doing for the labor of love that we have shown to Him for others. We will reap the harvest of blessing if we do not give up. We are so grateful that God is allowing us to come back again to serve in the field that He already planned for us.

The children are playing a game with their English teacher.

These leaders from different villages came together for discipleship training at Faith Center.

Many of you have sacrificed your given to the Lord and your time with your family to carry God's love across the ocean to share with many people who you've never met before the meaning of His love and the Grace of God. Our brothers and sisters in Cambodia have witnessed and learned from your faithful action, and they also have crossed village to village to share the love of Christ to one another!

Home of Grace have taught the children to become independent and bold leaders to continue God's purpose, serving and sharing the light of Jesus that God has shined onto them. They can share their own testimony now through the love and grace of our Almighty God. He is working in the children's lives

through your labor prompted by love and compassion that you all have inspired us and the children.

We thank God through Jesus Christ for you that your faith has spoken throughout the world through God's power, many lives have transformed. Because of your love and care for them, they have the inspiration to make a difference in other lives!

Please keep us and the team in your prayers for a safe travel and protection by God on our 47 day journey in Cambodia. And thank you again for partnering with Home of Grace Ministry to reach out and provide to those who are hungry and hopeless that is living in the darkness. You have made such an impact on their lives that words cannot express how grateful we are to serve with you, carrying the love and gospel of Jesus Christ to the end of the earth!

For God's Glory,

Henry & Neri Tran
