

HOME OF GRACE MINISTRY CAMBODIA

May 22, 2019

Greetings Family and Friends!!

We are so grateful to have the privilege to share with you about our upcoming trip for this summer 2019. We are leaving on May 29 to August 14. God has blessed Home of Grace Ministry with so much in store for His work. He has a plan ready for us. He is bringing two teams to come and join us this summer! The first team, First Baptist Church Houston will be coming in June. In July, we will have First Baptist Church in Broken Arrow, OK joining us. Both teams will continue to bring the gospel of Jesus Christ to the people who has never heard the Good News and they will also feed the hunger. The two teams plans to do a couple of VBS in different villages during their time in Cambodia.

In between hosting the teams, we will be making preparations for the upcoming 10th year anniversary of Home of Grace Orphanage in October 2019.

Joining hands to thank God for the blessings and to pray to Him for the land to build the orphanage in 2006.

Village children joining us with excitement in 2006.

Wow! It is truly amazing for God's mercy and grace to pour onto Home of Grace Ministry through the years!! In the summer of 2005, God led us to the nation of Cambodia and He showed us the need of His people. The Holy Spirit stirred in our hearts through God's love and mercy during our trip. After the Lord allowed us to see the people and their condition, we prayed to Him and asked, "What can we do? We are so limited on our Khmer language and we cannot read or write. We have nothing, but we are willing to commit to you and do everything that you have plan for us, and wherever you led us, with the heart of obedience, we will GO." The Lord saw many hands lifted towards Him for His mercy. He answered His people on that land when they cried out to Him!!

The Lord brought us to America and for many years He equipped us, taught us, and blessed our family to prepare for our journey in His plan! Home of Grace Orphanage was blessed to begin constructing in 2007. And in 2009, the first phase was completed with two stories. We were then able to accept the first 32 precious children into Home of Grace Orphanage. The Home of Grace Ministry continues to reach out into remote areas in difference provinces to bring in more children and to also share the gospel of Jesus Christ. And through God's love and power, He has transformed thousands of lives in Cambodia!

Measuring the land of Home of Grace.

Clearing the land for preparation.

Filling the land with dirt in 2006.

The village people excited to hear the news of the land purchased for the orphanages.

We are very humbled and honored for God to allow us to partner with many of you who have been truly faithful since the beginning through your prayers and financial support. Home of Grace could not have been a reality if it wasn't because of your love and compassion. Your faith has shown strongly by your commitment as you continue to serve with us through our difficulties and struggles. This has given us great encouragement and strength to know God will not leave us nor forsake us, but with God all things are possible!!

Thank you for your prayers and sacrifice to give to the Lord for His work. You have richly invested deeply into many lives to come to know Christ. Because of your compassion and care, many have found hope and their lives have been changed forever!

Please join us in prayers for the teams that are coming in the summer, and for us to prepare for the 10th year anniversary with the recognition worthy of God's amazing love through the years as we continue to honor and glorify Jesus Christ and share His love at Home of Grace Orphanage and through the nation of Cambodia!!

May God continue to richly bless you and your family,

Henry & Neri Tran
