December 31, 2019

Greetings Family and Friends!!

We can't believe that December is about to pass and a new year coming upon us! We hope you've all had a very Merry Christmas!! We've had such an incredible time enjoying the holidays with our family! As we approach a new year, we look back over the years; we take pause and thank the Lord who has blessed Home of Grace with His presence year in and year out, especially through your compassion to serve for His Kingdom!

2019 has given us such a great amount of happiness to see the work of God's love and mercy through the people and children in Cambodia. We are extremely thankful for all His faithfulness and power, especially for given us the opportunity to celebrate the 10<sup>th</sup> year anniversary of Home of Grace Orphanage with our dear family, friends, and thousands of people in a place that once was considered dark and evil, told by those who lived nearby. Now these people can

happily say that it is filled with light that radiates peace and harmony. Attended every year by thousands of people walking through the gate, giving them a new life through hope and joy! This is truly a reminder of God's faithfulness to us through mercy and grace for His glory!!

In 2019, the Lord allowed us to make 3 journeys to Cambodia. We stayed for about 2 to 2.5 months on each trip. During the year, we witnessed a total of 421 people praying for their salvation and 306 people obediently professing their faith through baptism. Thousands of lives have been rescued from the darkness and brought to the light of Jesus Christ!! Many had the opportunity to fellowship and study the scriptures. These people are now living a new meaningful life in Christ every day!

As we see God's hand at work blessing so many souls, we continue to be grateful for Him to direct us to serve. We continue to put our trust in His faithfulness and love. His Word encourages us and gives us strength and enables us to serve in the field. Our desires are to find ways to be a part of bringing His Kingdom to those who need it most.

The children at Home of Grace are so precious. As we look back and remember their lives from the time they arrived to now, it is truly amazing to see such a difference!! There is nothing more amazing than watching these beautiful transformations unfold before us!! We had the honored to see 3 children go on to college and 2 to seminary school this year; with a total of 5 students in college and 2 at Bible College. We consider it such an achievement as we believe education is one of the greatest gifts we can give to these children, and we know it couldn't have been possible without your passionate support to help them have a brighter future.

Thank you beyond words to our partners who faithfully prayed and graciously supported Home of Grace, so that we may have the means to seek and fulfill the important mission that God is leading us. It never ceases to amaze us at the obedience of God's call to those who share your resources so faithfully and those who went to serve for His kingdom. You helped desperate families through your generosity; those who were hurting and helped bring the lost to accept the truth in Jesus! Thank you for walking this journey with us to bless the people!

As we celebrate a New Year, let's remember how God can make all things new. He is a God of new beginnings. We trust the Lord for His guidance in 2020 so that we may continue to faithfully serve our Lord's faithfulness and commands to reach many lives and orphans that are yet to be disciple and are in distress and take the Gospel so that every person has the chance to hear the Good News of Jesus Christ!!!

May Our Lord fill you with happiness, love, good health, and bless you with the desire of your heart and make all your plans succeed in 2020!

In His Service,
