Children & staff at HOG daily devotion

Children at HOG leading VBS in the mountain villages at Home of Hope

Discipleship training in Faith center at HOG

The gift from students at National Cathedral School to HOGO

Greetings Family & Friends!

We are so grateful to return home from our journey! It was 73 days. There are many wonderful things to share with you. God has been doing wonderful things in the hearts of the children and people who

VBS children working on the lesson

love to serve and make a difference. We were able to host Vacation Bible School at Home of Hope near the mountains and discipleship training for leaders at the faith center at Home of Grace. We had a great time hosting a mother and daughter from National Cathedral School in Washington D.C., who came back to love the children at Home of Grace Orphanage!

Kitty & Callie with the HOG children & movies they brought

The Lord has worked again in the hearts of the students at the National Cathedral School. The school hosted a READ-A-THON and read over 475,000 pages to raise funds to buy four motorbikes for the children at Home of Grace Orphanage!! A big thank you to the parents and staff at the National Cathedral School who have encouraged and supported the students with this special project that made a difference for the schooling of the children!

We appreciate those who have been praying for us during our journey. We know God was in control every step of the way. We know He was there before us! He never leaves or forsakes us.

VBS message: You are special in God's eyes!

All the children at Home of Grace are healthy, happy, and growing spiritually. They are very actively serving with us, because they are grateful for all the opportunities that they

have been given. Thank you for helping us raise them to be Godly leaders! Without your support, the children could not be where they are today. We are blessed to be part of their lives!

Adults from four different provinces at leadership training

We were also excited for the Vacation Bible School in the nearby villages in the mountains. Over 700 children and over 100 adults joined VBS. It was an opportunity to share the gospel and feed the people in this remote area. Many of them were so grateful because they have never had a meal like this before. Around 900 people, including children, received school supplies, toothbrushes, and toothpaste. We let them know how much God loves them and how special they are!

We had the opportunity to visit each village for our ministry with the people. Many relationships were built. The Lord used this time to continue to help us learn more about the people and bond with them in a special way.

Preparing the food for VBS children

It is a wonderful opportunity to be a part of people's lives! The two girls Neri are holding in this photo used to live at Home of Grace Orphanage. However, they recently returned to their families to work in factories to support their mother and siblings. The two girls were very involved in our Bible study and teaching the children. We appreciated them when they were at Home of Grace. We hope and pray that we planted a seed that will grow over time.

Mother Srey Pov and son Meang

Srey Pov, a mom from one of the villages, shared with us how she came to know Christ. She said her 5-year son, Meang, went to a Bible study in his village. After the Bible lesson, he went home, and saw his mom and dad fighting. He told his parents, "Jesus doesn't want us to fight. You must love one another." The next week, the mother attended a Bible class that the Home of Grace staff led. She accepted Christ and gave her testimony about how her son brought her to Christ. Now, she helps lead a small group her in village.

This summer in Cambodia blessed us in many ways. We saw God move in the lives of the people in Cambodia. Thank you for your prayers. We felt them, especially during times in need, as we worked every day to serve people.

Children of Home of Grace Orphanage

Thank you for your partnership as we go through this journey together. With God's love, we have already and will continue to improve the lives of children, families, and communities. We could not do it without your heartfelt prayers and support!

Blessings to all,

Henry & Neri Tran
