November 18, 2018

Greetings Family & Friends,

Neri and I want to wish you a wonderful Thanksgiving and bless time with your love ones during this holiday season. We hope and pray you will have a joyful and bless time together. Please remember those that are less fortunate and without hope. Because there are so many that are still in the darkness, and according to Matthew 5:14-16, God has called us all to be the light of the world.

We are so grateful the Lord has allowed us again to have the opportunity to go back to Cambodia to celebrate the holiday season with the children at Home of Grace and the people in the villages around the mountain. It brings great joy to our hearts to have the strength from God and the privilege to minister the love of our Lord and Savior to them. We will be flying out on November 24, returning on December 20.

While there, we are looking forward to seeing the children at Home of Grace participate in the

Christmas play. Every year God bless them with the heart of serving, bringing joy and fun with singing and dancing to worship Him, while we listen to their testimonies about how God has transformed their lives, what a true impact! Now they can be the witness to others. We thank you for sowing into the children's lives. Through your support, we are seeing children's lives change tremendously and now they are not timid but bold. What a blessing to be a part of their lives! Words can't express how thankful we are for your help to raise them up to become bold leaders for Christ in Cambodia.

On December 6-8, a team from First Baptist Church in Broken Arrow, OK and Temple Baptist Church in Canada will join with Home of Grace to conduct discipleship training. We thank God for these team that has sacrificed their time with their family to travel to Cambodia and serve God that will affect in the lives of the people tremendously.

Last Christmas, over a thousand people from different villages found so much joy and happiness in celebrating the birth of Christ that some continue to talk about it and request us to celebrate Christmas with them again. Because it takes a lot of preparation, we had prayed on it to our Heavenly Father to provide for His people. We believed in God's will that all things are possible!

We pray that each person attends to hear the message of Jesus Christ according to John 3:16, "For God so loved the world, that He gave His only begotten Son...."and Romans 10:14, "And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher?" With this special season, this message of His love is very important to spread to remote areas who have never heard the name of Jesus Christ.

After the message, Home of Grace Ministry will show God's love to the villages by feeding the hungry and providing the children in the villages with school supplies, while encouraging the children on their education. God put in our hearts the passion to serve what He desires in His plan, to lead us to make a difference in the lives of His people during this special season.

With a thankful heart, we count this a blessing to go to be the hand and feet of Jesus, to spread the good news of Jesus Christ and feeding the hunger!

Would you like to join us on this journey to be a glimpse of light to make a difference for Christ, and to pray to be the hand and feet of Christ with us to support and serve Him through Home of Grace Ministry during this special time? We pray that God touch in your heart abundantly for His will to make a difference in this season!

Happy Thanksgiving!
