November 7, 2018

Greetings Family & Friends,

We are thankful to be home safely from our short journey in Cambodia from September 27 to November 1! We are so blessed to have you joining with us in prayers and giving to serve the Lord to transform many lives by His mercy and grace!

The children at Home of Grace have grown so much since our last trip! The older children share responsibilities amongst each other to help the younger children. We are so grateful to come back to witness the love they have for one another as God has for us!

We have accomplished so much during our trip, but God still has much more in store for us. The first Sunday of our trip, we had the opportunity to worship with many people from different villages. Because of Khmer special holiday, *Pchum Ben*, there were many that attended church.

At the end of service, we had 24 people surrender to Christ by His love and power; their lives will never be the same! We came together after service to celebrate over fellowship meal. We believe the angels are joyful over the sinners who repented!

On the 2nd and 3rd week, Home of Grace children returned to their relatives in different villages during the holiday. While there were 15 children who didn't have any relatives, they were saddened and had no choice but to stay back at Home of Grace, which gave us the opportunity to spend extra time to love on them and bring joy to their hearts by taking them to the zoo and beach for a one day trip. Henry and I were so busy when the children were gone, but we were very happy to welcome them back!

The fourth week, we held classes to train 54 youths from different villages to go out to become the light of the world spreading love of Christ. The youths were filled with so much excitement from all they've learned! Home of Grace treated them with lunch and handed out bibles to the ones who didn't have one of their own.

In between the weeks, we had meetings with the Social Affair Ministry, as well as the staff and children at Home of Grace. And though we had so much to do during our trip, we were still able to make time to joyfully minister the people in the villages.

The last week of our trip, we prepared the children to go back to school on November 1. We provided them new school supplies, bicycle, and uniform to wear on their first day back. We also wrapped up last minute things to do before heading back to the states, and we know God has many things in store for us.

Thank you again for all your help to raise these children and making a difference in their lives. Many people has transformed because of your faithful prayers and giving to the Lord. Your faithfulness will impact many generations to come. We truly count this as a tremendous blessing in our lives to serve alongside with you!!

Many Blessings,

Henry & Neri Tran
