December 20, 2018

Greetings Family & Friends!

Henry and I were in Cambodia from November 27 –December 20. We rejoiced in the wonderful blessing our Lord has given us for our time in Cambodia. It was an amazing experience as we shared the message of the birth of Jesus Christ our Savior. Our hearts are grateful for the vision the Lord has given us for the people and the children in the remote villages in Cambodia. This vision has ignited such passion within the people, they have prayed and requested for us to come back to share the birth of Jesus Christ.

On the first Saturday, Home of Grace children, staff, and members of churches in local areas joined together to bring the message to the people through sharing their testimonies and lifting up the name of Jesus His glory through singing. The children from Home of Grace displayed such passion as they performed the drama of Christmas. Henry then shared the meaning of Christmas for the love of Christ.

After the message, over 200 raise their hands to accept Jesus as their Savior. We fed over 1,250 people and children. We engaged the people in fun activities that included drawing names to win various prizes. It was so amazing to see many people that came to celebrate with us, to see their smiles and the gratitude from their hearts, really moved us to tears. We are so honor to be the hand and feed of Jesus Christ!!

On Dec. 4, a team from First Baptist Church in Broken Arrow, OK and Towers Baptist Church in Canada arrived in Cambodia for their 3-day discipleship training session from the 6th-8th to inspire and uplift almost 85 leaders in the community and to join with us for the Lord's Supper. The leaders were inspired to share their faith and love with the communities. On the last day, each leader received a certificate of completion of the training. Next day, 28 people who were awaiting for couple of month got baptized! We saw the passion that radiated on each of their faces as they received their certificate. What a joyful time we had of our sharing and growing together in the Lord!

On our 2nd Sunday, the volunteer teams joined us to celebrate the birth of Christ at Bati Church. We had almost 200 in attendance and several people gave their life to Christ! After the service, we fed them lunch and provided the children goodies and school supplies.

We had many service with the children and staff at the Home of Grace. We were honored to fulfill their request of sharing many delicious meals with them such as, pizza, fried chicken, and their favorite CAKE! We also gave everyone a special gift filled with your love and compassion. The children gave thanks to the Lord for all the blessings they received during this holiday season by the grace of God through your heart.

We are so honored and grateful for another AMAZING year! We give thanks to the Lord for He has blessed us with family and friends to serve alongside with us to bring thousands of people and children from darkness to light this year. Thank you again for joining with us on this Christmas journey through your prayers and given to make this meaningful for God's love for His people and children in Cambodia. There are many tasks God still has in store for us to do in 2019, please join us in prayers and continue to support God's mission to make a difference in many lives!!

Merry Christmas and Happy New Year from Home of Grace and the people you have blessed in Cambodia!

Many blessings to you,

Henry & Neri Tran
