Feeding the hungry children from the villages.

We took these children from the MT. to HOG and cleaned them up.

We brought the children of HOG to visit the children in the hospital.

The older children of Home of Grace clothed a child who came with no clothes.

Greetings to family & friends!

In the village, these people are praying for salvation.

We are excited to take another meaningful adventure to Cambodia to bring God's love and mercy to the unreached people in remote areas. We have witnessed astounding story after story from the broken hearted to the healing. The power of God has transformed numerous people from the hopeless to the hopeful to accept Jesus Christ as their savior!

With our grateful hearts, we give thanks to the Lord to help us be obedient to go forth in His command. We know He is already there,

preparing the work and the hearts of His people. We look forward to the many wonderful things we know He has in store for us! We have been praying to God to fulfill us with His strength and wisdom to do incredible things for His purpose.

This journey will take from September 27<sup>th</sup> to November 1<sup>st</sup>, and we couldn't be more excited to see what God has been doing for the past month over there by His greatness and mercy!

*<sup>35</sup> for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; <sup>36</sup> I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.' (Matthew 25: 35-36)*

We took in this child's brother and sister to Home of Grace from a mountain village. Mom wanted to keep her at home.

The children of Home of Grace will go back home on October 7-10<sup>th</sup> to be with their guardians during their second holiday called 'Pchum Ben Day', while the ones who do not have any relatives will remain at Home of Grace with us.

We will prepare food, essentials, and new clothes for the children to bring home to their family since some of their families do not have sufficient food or new clothes to wear to celebrate the holiday. It is heartwarming to see the children go back home and be a witness of God's love and care for the community. We have a plan for the people of the village to join the churches to give thanks and share food amongst the needy during *Pchum Ben Day*.

This boy was seen playing and sitting inside a bamboo basket beside his house during bible study held in a neighborhood.

Close to a thousand children of the surrounding villages came to Home of Grace for Vacation Bible School!

Also we will prepare the children's school uniforms and bicycles while they are gone on their holiday, to be ready for their use when they return to go back for the new school year.

We are praying that the Lord will send people with serving hearts to Home of Grace to be a part of God's calling.

*<sup>2</sup> Then He said to them, "The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest. (Luke 10:2)*

We are so grateful to those who have faithfully partnered with us to help change many lives. Your sincere commitment and giving has continued to support God's work.

We would love for you all to join with us in this journey with God to serve His people through your prayers and generous donations. With God, all things are possible! We hope and pray that you will consider being a part of this journey of blessing to others in need!!

Many blessings to all,

*Henry & Neri Tran*
