September 9, 2019

**Greetings family and friends!!**

It is absolutely wonderful for the continuous opportunity to return back to Cambodia, but this time to celebrate the 10<sup>th</sup> year anniversary of God's faithfulness to Home of Grace Orphanage!! The place that God has brought many lives together by His grace and mercy! We find ourselves looking back and wonder where the past 10 years have gone by so fast! God has taught us many lessons during the time He has allowed us to serve at Home of Grace Orphanage. We know God is not done yet and He still has much more work in store for us. We count that as a tremendous blessing!!

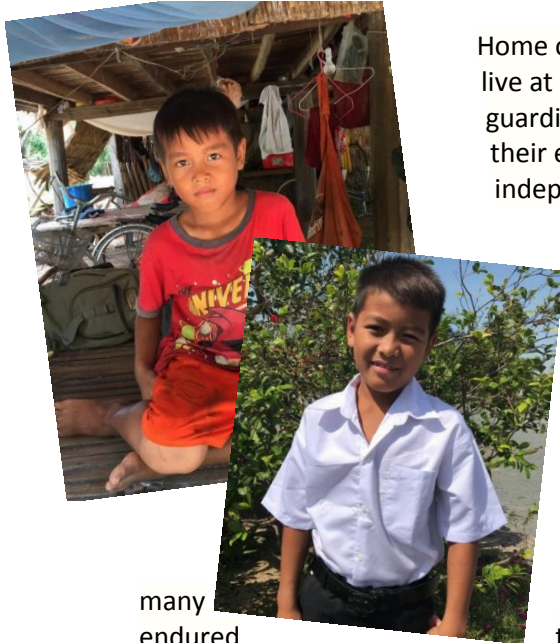

Home of Grace opened the doors in 2009 to welcome over 184 children to live at Home of Grace Orphanage. Some have reunited back with their guardians, some have learned vocational training and others extended their education to universities. There were some who became independent and moved out to work. We are so grateful to have the opportunity to raise these children and plant the seed in their lives. We put our trust in God to grow them up for His purpose!

Over 1,000 children come through the gate of Home of Grace Orphanage each year to attend Vocational Bible School. They also receive love and support for their education while they are here. We believe their education will be the power to change their lives!!

The past 10 years we have went through storms and tears, but God is

many endured always faithful and blesses us with the work of His hands. A decade has gone by, and it's a miracle to have witnessed God's amazing plan! The first day we welcomed the orphans; they didn't have a safe place to live, nor had any education. God has allowed some of you to serve alongside us since day 1 through the help of raising the children for their future! Together we have made such a

positive difference through the power of God!

The Lord has given us the desires of our hearts by celebrating the 10<sup>th</sup> year anniversary to honor Him for ALL His glory!! Through His power and mercy, God has transformed thousands of lives! The communities call Home of Grace the land of Jesus through all the actions of love and care over the years for His children throughout the villages.

The 10<sup>th</sup> year anniversary plan will consist of:

1. Feeding thousands of needy families with 50lbs of rice, mosquito net, blankets, sarong (traditional garment), and other necessities during little harvesting due to a rainy season.
2. Sharing God's love through blessings over a thousand poor and needy children coming far away from 10 different schools, to encourage the importance of school with backpacks & school supplies- This will bring so much joy into our lives that day to witness their gratitude for such a gift of love from Jesus that they have never received before.
3. Serving a banquet of at least 500 people: guardians of the orphans, the poor and hunger, our staff, and faithful servants from different provinces.

Thank you for your faithful prayers and sacrificial giving to make a difference! Please continue to join us in prayers so God can provide the need for His will on October 31, 2019 for the 10<sup>th</sup> year anniversary. Also, please keep those traveling in your prayers for God's protection while they cross the ocean to celebrate the work by the hands of our Almighty God!

We are looking forward to this special day and to welcome our families and friends that are attending to celebrate God's faithfulness and blessings!!

Together with God we have made a positive difference through the work we serve for our Lord Jesus Christ!!

Blessings to all,

*Henry & Neri Tran*
