

HOME OF GRACE MINISTRY CAMBODIA

July 16, 2018

Greetings Family & Friends!

We are once again serving in Cambodia for the summer. We already have many wonderful stories to share about all of the amazing things that God is doing here. The children did very well in their school work this school year and many tested in the top percentages among their peers! They are also becoming remarkable leaders and servants to one another and in their communities. Your prayers and support are making a tremendous difference in the lives of the children. Much like Jesus did, each day the children are growing in wisdom and stature, and in favor with God and man (Luke 2:52).

The older children at Home of Grace helped us do a VBS at one of the mountain villages. This

was the very first VBS for this area. We had an amazing response from the community there, and we were so pleased to hear that the teacher dismissed school so the children could attend the activities. We had over 800 in attendance including approximately 700 children and over 100 adults. We fed them lunch and the Home of Grace children taught them songs and played games. Before going home, all of the children received school supplies to encourage their education. It was such a special time with so many hearing the Gospel message for the very first time. All of the prayers and hopes for

what God will do in lives of the children at Home of Grace is already becoming a reality as we see so many of them step into leadership roles like this one to serve and teach!

A week after the VBS, we conducted a leadership training for 91 people in four different provinces. The purpose was to uplift and equip these leaders to

continue the work of sharing the Gospel to those who have never heard. Henry led the trainings with Bible study, devotionals and valuable leadership skills.

HOME OF GRACE MINISTRY CAMBODIA

The Home of Grace recently received a fun visit from mother and daughter, Kathrine and Callie! Callie is a recent National Cathedral School Alumni. Kathrine and her daughter were greeted with a special surprise as the children all gathered to greet them in their NCS shirts!

Kathrine and Callie also surprised the children by presenting them with a large variety of kid's movies. This was so exciting for them all because this is always such a fun treat to have a movie night at Home of Grace! We all really enjoyed their visit and cannot wait until they can return to Cambodia to visit them again.

Thank you to so many of you for all of you faithfulness and continued prayers and support. You are a major part of the work that is being done in the hearts and lives of the people of Cambodia. God has provided abundantly for Home of Grace Ministry once again. May God continue to richly bless each one of you!

In His Service,

Henry & Neri Tran
