

HOME OF GRACE MINISTRY CAMBODIA

May 25, 2018

Greetings family and friends!

We will soon return to Cambodia again for the summer! The time always passes so quickly whether we are here or there, and we know that we must continue to be obedient to the work that God has planned for us. We are so thankful that He has allowed us to serve. We use the strength and knowledge that He has blessed us with to serve Him for His glory! We are grateful for the prayers and support we constantly receive from all of you!

As you know we strive to be obedient to Christ and His faithful leadership to see the lives of the children transformed through His great love and power. One of the ways we see the children growing strong in

His love is through daily morning Bible studies with Henry and Neri and the Home of Grace staff. They are being discipled and receiving life training skills through Biblical teaching and scriptures about Godly leadership. We desire for the children to have a great passion for God's word and a renewed life of joy and hope in Jesus! It is such an

amazing journey with the children as we watch them grow strong in Him and share what they have learned to bless others through their daily lives.

While we rejoice in the victories for these precious children who's lives have been transformed, we also live with the reality that there are many more children like the ones pictured below who need food, clothing, and to receive the love of Jesus for each one of them. Sometimes we become overwhelmed to see the many needs of the children and people, but God is so faithful to provide. We rely heavily on the prayers and support of each one of our sponsors. You are the workers in the field right beside us as you faithfully pray and give to Home of Grace Ministries. You lift up our arms so that we are able to continue to GO.

HOME OF GRACE MINISTRY CAMBODIA

May 25, 2018

We have received wonderful news!! God has reminded us once again of His faithfulness to provide as He worked through the hearts of many young girls at National Cathedral Lower School in Washington D.C. . Our daughter Tina Tran Neville, who was a former teacher there, was able to attend the presentation pictured below and spoke to the girls at the school on behalf of the children at Home of Grace and our family. These gracious girls made a commitment through their great compassion for the

children at Home of Grace to do a Read-A-Thon and went out and asked family and friends to sponsor them. Their goal was to provide us with new motorbikes. They achieved their goal with excellence! They raised enough to purchase three new motorbikes. This will provide enormous help to the children at Home of Grace by giving them transportation to school, and for the staff to go into the communities to help and reach out to the children and people in different areas. What a blessing this was to us!! Our existing motorbikes were getting very old and unreliable and desperately needed replacing. This school and the precious girls have blessed the children at Home of Grace many times in the past through a variety of projects such as providing

Home of Grace with clean water, water storage tanks and also brought electricity to Home of Grace Orphanage. Through education and action this school is changing the world!! Their compassion and service has crossed the ocean to Home of Grace Orphanage and the communities of Cambodia.

A special thank you to the faithful family who donated the funds for their trip to Home of Grace Ministry instead of going to Cambodia this summer. We are thankful for all of you who have supported this ministry. You have helped us raise the children as our own and given them an opportunity to have an education and demonstrate leadership for Christ to their country. Our summer journey will be May 28th to August 8th. Again, please continue to keep us in your prayers as we pray for God's wisdom, strength and His protection. Words could never express how deeply grateful we are for your prayers and support to see lives transformed for His Glory!! May the Lord bless you abundantly for your service to others!!

In His Service,

Henry & Neri Tran
