

HOME OF GRACE MINISTRY CAMBODIA

February 22, 2018

Greetings Family & Friends:

Thank you for 2017! You have been faithful and walked along-side the amazing work the Lord has planned for us. We are excited for 2018, and we'll be back in Cambodia soon. Every time we return we experience the joy and blessings for the time we are in Cambodia. The words cannot express how deeply grateful and humble we are for the honor that God called us to serve. You have been so encouraging to us in your prayer and generous giving; you are a part of God's work in Cambodia.

February 28 to April 12, 2018 we will be returning to Cambodia and know that God is preparing our way and hearts for people before we and the team arrive. God prepares His people's hearts to receive the Gospel like the rain in the desert. Please remember us in our journey.

We trust in God to continue in His plan for us in 2018 and we ask you to be a part of His work through your prayers. Many lives are still waiting to hear the Word of God. If we don't share, how will people know?

Please pray for strength, wisdom and protection for us and the team's travel to Cambodia. Lift us up and encourage us to do His work. The youth team from First Baptist Church Broken Arrow, Oklahoma will be there from March 15 – 23, 2018. They will be joining with us to reach out to villages to share God's love and feed the hungry children. They and the children of Home of Grace will be helping with VBS through teaching the stories in the Bible and sharing testimony.

We are just so excited for the team of 12 members coming, with 8 first time youth. *Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith.* Thank you for the youth team for willingness to share your heart and faith in God's love to the nation of Cambodia!

Our hearts are overflowing to welcome this team coming to serve with us, and knowing that our mighty God will change their hearts and lives, as well as impact many lives!

HOME OF GRACE MINISTRY CAMBODIA

We are so grateful the First Baptist Church is a partner and has committed to send a team to the field to be the hands and feet of Jesus Christ, and spread God's love to people. We are thankful the team has chosen to come to this part of the world, and to use their gifts and talents in their spring break to make a difference and serve God. We are grateful to the church and the parents of the youth for their faith to send their children to serve the needy with broken hearts, with many people who have never heard the name of Jesus. Many children are desperate and hungry and in need of love and hugs. When you come you help to comfort and feed them and show them love and care with your compassion.

Also, we want to thank those of you who have come before for your wonderful bonding with the children and the staff at the Home of Grace. Many remember your love for them, you holding them and

your prayers and caring. For their whole lives, no one has shown the care like you have given. They count it as a blessing daily in their life at Home of Grace.

We are excited for another year, 2018, that God has allowed us to continue to serve, and we ask you to pray for God's ministry. We are looking forward to many works that God has in store for Home of Grace Ministry.

We thank you again for your faithfulness in joining with us for this journey for changing lives. God has called us out to serve Him and we could not do all that is needed without your prayers and generous support as a partner of Home of Grace Ministry. Some of you have been abundantly giving and sacrificing for the gift to make a better life for others. You have been obedient to give and follow your heart. For where your treasure is, there your heart will be also!!

HOME OF GRACE MINISTRY CAMBODIA

As you know, 2017 was a marvelous year, with 1,034 people surrendering their life to Christ and 271 people declaring publicly their faith in Jesus Christ through Baptism. We were able to feed over a thousand hungry children in Cambodia and supported their education through providing school supplies, encouraging them in their education and supplying medicine. We've been able to reach out into the villages for other emergency needs, such as rebuilding a house after a fire and helping with clean water for the needy. All these efforts are just like laying bricks in the people's lives that show how God loves and cares for them.

The Home of Grace children have been raised as our own. They are growing strong and amazing, and we want you to know that you are an important part of their lives, because you have been praying and caring for them with support for their education and providing for the needs of their lives. Each time we return, we see how amazingly they are growing in their physical and spiritual lives, and they are caring and loving others as you have been caring for and loving them!

We believe God has inspired us to continue to trust in Him to serve and give us excitement to move forward for His plan in 2018. Please join with us in support for His work and pray the Lord will draw many more lives to His Kingdom!

May the year 2018 be an abundant blessing to you and your family.

Blessings!
