February 22, 2021

Greeting Family and Friends!!

We're so glad that the winter storm is over! And our hearts are with those who have been/are affected by the storm. We're so grateful that everyone at the Home of Grace is doing well and in good health! Since the fall of last year, 11 more precious orphans have been welcomed to the Home of Grace Orphanage, a total of 17 new orphans!! It is such a great joy to be a part of their new lives and to provide them with education, food, medical, but most importantly, to give them love and encouragement and to support their future.

Home of Grace continues to do reach out to communities by offering nourishment and spiritual needs to the church members. We are so grateful that everyone can come together in this uncertain time, to pray, read the Word of God, and to share His love to one another!!

The orphans were in great need to be brought into Home of Grace Orphanage, as either parent have passed away or were left with just only one parent or grandmother to provide for them because their parents had to work far away. They were struggling to provide even the bare minimum of food and education for their need.

Home of Grace was trusted by guardian to help take care of their child so that they could have a brighter future. We were honored to take this responsibility for the orphan's lives and commit to work diligently to support for their needs and provide for their future!!

We also continued to be obedient to God's call to help His children by praying, studying, worshiping, and encouraging them to be faithful and trust in God. Through encouragement, Home of Grace Ministry provided those who couldn't read or write with a radio so that they could tune to a worship channel during their spare time to listen to God's message and remain close to Him. They were so excited to have received a special gift. We believe, through this handheld radio, they will devote more time to God's words. We have had such positive outcomes that we will continue to share this gift to many more who seeks to understand God's love and care for them!

Thank you all very much for your faithful supports for God's mission to seek the lost, to rescue the orphans from broken homes and to encourage the widows. Through your faithfulness of serving with Home of Grace Ministry, you have brought joy and hope to their lives in Jesus Christ!

May the Lord continue to watch over you and your families and keep all of you safe and bless you abundantly, for you share the blessings with others for the glory of God!!

*In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive.'*” **Act 20: 35**

Blessings to all,

*Henry & Neri Tran*
