

HOME OF GRACE MINISTRY CAMBODIA

July 19, 2021

Greetings Family and Friends!!

We hope and pray that you are all doing well and enjoying a wonderful summer! We give thanks to our God for continuing at work, protecting and encouraging His children even while the numbers of Covid-19 cases in Cambodia continues to rise and the churches and schools remain closed, limiting the people from doing things together. There are people who live in fear, but those who put their faith in God find ways to study His words and pray together for comfort and encouragement. As we praise the Lord, we are tremendously thankful for His continuous protection over the children and staff. They all are doing very well and growing more each day, loving and helping one another. We surely do miss them all and can't wait to see them again!

The children are still learning at the Center. We found that studying and worshipping with the children, as well as with different groups in the villages through video calls has been our ongoing solution for us to do with them during this period when we are unable to return.

Last Sunday, we worshipped with a group in the village, a young boy by the name of So Chein, who refers to Daniel, told us that he missed us and prayed for our return soon. After he shared to us about all of the good things he's done such as, stopping his friends from fighting one another, he asks if he will go to heaven if anything happens to him. We

asked if he had personal prayers to Jesus or invited Him into his life yet. Then he and his mother asked that we pray for him. We were much honored to do this for such a young boy as So Chein, who is a very wise seven-year-old who simply wants to live a life doing good things for others! We give thanks to the Lord for his life and we believe God has a great plan for his future!!

HOME OF GRACE MINISTRY CAMBODIA

July 19, 2021

The more we communicate and pray with the children and people in the villages, the more we bond together and have a better understanding of what they are going through right now. We are very thankful for their commitment to put their faith in our Lord to help them through this difficult time.

These people work very hard for the little resources and food they can find to provide for their family, but their faith in God is unwavering. This is a reminder for us, who live in a country with many opportunities, to be faithful in whatever situations we may encounter, and to know that God is still with us, and He will never leave us nor forsake us (Deuteronomy 31:6).

Through your generosity, Home of Grace Ministry is able to continue to provide food and financial assistance to needy families during this hardship, as well as to church leaders and bodies of Christ in many different communities who have lost their jobs as a result of the pandemic. Many of them are so thankful, knowing that the Lord never forgets them and continues to watches over them.

Thank you for your faithful prayers and generous support as we continue on our journey for God's love to serve the needy, widows, and orphans through His message, to give them hope and opportunities for their future in Christ! Because your compassion of loving and caring for others through your faithful prayers and service to our Almighty God alongside Home of Grace Ministry, God remains at work transforming lives in Cambodia, and their lives will never be the same again, as people continue to praise and glorify God!!

Blessings to you all,

Henry & Neri Tran
